

TWIST STAGE

THIS CATEGORY TAKES THE STORIES YOU KNOW AND TURNS THEM COMPLETELY UPSIDE DOWN!

ROUND 1

- In the first round each team will choose a famous movie and bring its story to life! But with one catch.. something has changed- there's a plot twist that wasn't there before. Teams must create their own unexpected plot twist that was not present in the original movie and showcase it in a creative and entertaining way.

ROUND 2

- In the second round, each team will be given a mystery song and must seamlessly incorporate at least one minute of any part of that song into their performance. Whether it be the soundtrack to a heartbreaking confession or to an unexpected dancebreak the choice is yours!
